## Media Release

### **Launceston's Earl Arts Centre sets the scene with an Original show by Just Imagine Youth Drama School**

Just Imagine Youth Drama School is excited to present the first showing of Lotus written by Launceston Playwright Imogen Kalisch (Tasmanian Theatre Awards Nominee 2020 – Directing, Iron – IO Performance).

Lotus is the first event in the Just Imagine Special Projects Program (SPP). SPP is designed to help support Launceston based talent at the beginning of their careers.

In this show Imogen explores how 2 Sisters handle life on their own in the aftermath of an apocalyptic event. One sister is ready to move on with life with the other is not yet ready to face an everchanging and unknown world.

Imogen as both Writer and Director handpicked her two lead Actresses Maddie Elmer (17) & Romana Sutherland (16) to perform this first run of Lotus. Both Romana and Maddie have worked with Imogen on the previous Just Imagine show Pressure.

Lotus runs at the Earl Arts Centre from 30 September 20 – 3 October 20. Tickets on Sale 31<sup>st</sup> August 2020
